

Clarity - Capital Group New Perspective Fund

Objective

The Fund's investment objective is to achieve long-term growth of capital by investing in shares of companies located around the world.

Strategy

Clarity uses Capital Group as the investment manager for this Fund. Capital Group conducts in-depth proprietary company research and favours companies expected to benefit from structural trends in the global economy.

The Capital Advantage

Capital Group is one of the oldest and largest asset management companies in the world. Since 1931, Capital Group has been singularly focused on delivering superior, consistent results for long-term investors using high-conviction portfolios, rigorous research and individual accountability.

Fund returns in NZD as at 30 June 2026, %
