ENHANCED CASH PIE

What is the purpose of this update?

This document tells you how the Enhanced Cash PIE has performed and what fees were charged. The document will help you to compare the fund with other funds. Clarity Funds Management Limited prepared this update in accordance with the Financial Markets Conduct Act 2013. This information is not audited and may be updated.

Description of this fund

The Fund will invest, either directly or through other managed funds, in a well-diversified portfolio of cash and cash equivalents and New Zealand fixed interest securities, including an allocation to yield enhancing assets such as mortgage-backed securities and credit funds. The Fund aims to provide investors with regular income in excess of bank deposits whilst preserving capital value.

Total value of the fund	\$12,650,543
Date the fund started	11 June 2024

What are the risks of investing?

Risk indicator for the Enhanced Cash PIE¹:

The risk indicator is rated from 1 (low) to 7 (high). The rating reflects how much the value of the fund's assets goes up and down. A higher risk generally means higher potential returns over time, but more ups and downs along the way.

To help you clarify your own attitude to risk, you can seek financial advice or work out your risk profile at www.sorted.org.nz/tools/investor-kickstarter.

Note that even the lowest category does not mean a risk-free investment, and there are other risks that are not captured by this rating.

This risk indicator is not a guarantee of a fund's future performance. The risk indicator is based on the returns data for the five year period to 30 June 2024. While risk indicators are usually relatively stable, they do shift from time to time. The risk indicator will continue to be updated in future fund updates.

See the Product Disclosure Statement (PDS) for more information about the risks associated with investing in this fund.

How has the fund performed?

	Past Year
Annual Fund Return (after deduction for fund charges and tax)	N/A
Annual Fund Return (after deduction for fund charges but before tax)	N/A
Market index annual return (reflects no deduction for charges and tax)	5.79%

The market index annual return reflects the return of the Bloomberg NZBond Bank Bill index. Additional information about the market index is available on the offer register at www.business.govt.nz/disclose.

What fees are investors charged?

Investors in the Enhanced Cash PIE are charged fund charges. Based on the PDS dated 31 May 2024 these were:

	% of Net Asset Value
Total Fund Charges (incl GST)	0.26%
Comprising management and administration charges which are made up of:	
Manager's basic fee	0.18%
Other management and administration charges	0.08%

There are no performance fees charged in relation to the Enhanced Cash PIE. Investors are not charged individual action fees for specific actions or decisions (for example, for withdrawing from or switching funds). See the PDS for more information about those fees.

Example of how this applies to an investor³

Small differences in fees and charges can have a big impact on your investment over the long term.

Notes

- As the Fund commenced operations on 11 June 2024, a combination of actual fund returns and market index returns were used to determine the risk indicator. Therefore, it may provide a less reliable indicator of potential future volatility. For the five-year period ending 30 June 2024, market index returns have been used to 10 June 2024 with actual fund returns used for the balance of the period.
- As the Fund has not been in existence for more than one financial year the total fund charges are estimated as disclosed in the PDS. Please refer to the PDS for further information.
- As the Fund has not existed for a full financial year, this example is based on returns for the period from 11 June 2024 to 30 June 2024
