

Current Fund Yield: 4.07%

Fund yield as at June 30, 2025, after management fee but before tax. This yield will fluctuate over time due to changes in market interest rates, changes to the RBNZ Official Cash Rate, and changes to the investments within the Fund.

About the Fund

The Enhanced Cash PIE aims to provide investors with regular income in excess of bank deposits whilst preserving capital value. It will invest, either directly or through other managed funds, in a well-diversified portfolio of short maturity New Zealand fixed interest securities and New Zealand interest-earning bank accounts. It is provided in a tax efficient Portfolio Investment Entity (PIE) structure. The Fund will make quarterly income distributions to investors.
