

ENHANCED CASH PIE FUND FACT SHEET MAY 2026

Current Fund Yield: 3.34%

Fund yield as at May 31, 2026, after total fees (GST Inclusive) but before tax. This yield will fluctuate over time due to changes in market interest rates, changes to the RBNZ Official Cash Rate, and changes to the investments within the Fund.

The yield shown is annualised and reflects the income the Fund's investments are currently generating. Performance returns can differ because they also capture short-term changes in the market value of the underlying holdings over the period measured.

Fund features

Investment Objective	The Fund will provide investors with regular income in excess of bank deposits whilst preserving capital value. The Fund will invest, either directly or through other managed funds, in a well-diversified portfolio of short maturity New Zealand fixed interest securities and New Zealand interest-earning bank accounts.
Benchmark	Bloomberg NZBond Bank Bill Index
Portfolio Manager	Andrew Kelleher
Fund Issuer	Clarity Funds Management
Asset Allocation	100% cash, cash equivalents and NZ fixed interest securities
Distributions	Quarterly
Structure	Portfolio Investment Entity (PIE)
Fund size	\$122m
Suitability	This Fund may be suitable for investors looking for a low-risk investment or investors wanting to stage entry into higher volatility investments over a period of time. The minimum suggested investment timeframe is three months.
Fee	0.26% p.a. inclusive of management, trustee, custody and administration fee (GST inclusive).
Buy / sell spread	The Fund does not currently charge a spread on entry or exit.
Withdrawals	Processed same day if withdrawal request is received by 1pm on a business day. Cash typically available in investor's account within three further business days.
